I've lost some good friends along life's way
Some loved ones departed in heaven to stay
But thank God I didn't lost everything
I've lost faith in people who said they cared
In time of my crisis they were never there
But in my disappointment, in my season of pain
One thing never wavered, one thing never changed

I never lost my hope,
I never lost my joy
I never lost my faith
But most of all, I never lost my praise

My praise still here,
My praise still here

I've let some blessings slip away
When I lost my focus and went astray
But thank God I didn't lost everything
I lost possessions that were so dear
I lost some battles walking in fear
But in the midst of my struggles, in my season of pain
One thing never wavered, one thing never changed

I never lost my hope,
I never lost my joy
I never lost my faith
But most of all, I never lost my praise

Praise, Praise, Praise, Praise, Praise
Most of all, I never lost my praise

My praise still here,
My praise still here
