See the way he walks down the street
Watch the way he shuffles his feet
My, he holds his head up high
When he goes walking by
He's my guy

When he holds my hand I'm so proud
'Cause he's not just one of the crowd
My baby's always the one
To try the things they've never done
Just because of that they say

CHORUS

He's a rebel and he'll never ever be any good
He's a rebel cause he never ever does what he should
Just because he doesn't do what everybody else does
That's no reason why I can't give him all my love
He is always good to me, always treats me tenderly
'Cause he's not a rebel, no no no
He's not a rebel, no no no, to me

INSTRUMENTAL

If they don't like him that way, they won't like me I'm
sure today
I'll be standing right by his side, when they say

CHORUS

He's a rebel and he'll never ever be any good
He's a rebel 'cause he never ever does what he should
Just because he doesn't do what everybody else does
That's no reason why we can't share our love
He is always good to me, good to him I'll try to be
'Cause he's not a rebel, no no no
He's not a rebel, no no no, to me
(He's not a rebel, no no no
He's not a rebel, no no no
He's not a rebel, no no no
He's not a rebel, no no no)
