There's a story I want you to know

'Bout my baby, how I love him so

There's no other like my baby

No, no, no, no

(I wanna tell you now)

There's no other, don't mean maybe

No, no, no, no

Walkin' down the street, in a crowd

Looking at my baby, feeling so proud

Woah, oh, oh

There's no other like my baby

No, no, no, no

While at a dance, my baby by my side

He whispers to me, someday I'll be his bride

Woah, oh, oh

There's no other like my baby

No, no, no, no

(Johnny?)

No, no, not like my baby

(Billy?)

No, not like my baby

(Bobby?)

He's not like my baby

I wanna tell you now

There's no other like my baby

No, no, no, no
