Hey I know Iâ€™m young but I promise you  
I will love you like we grown tonight  
I will pick you up and we go around  
Like weâ€™re tonight with the world fled back  
Hands up girl we owe  
Your bodyâ€™s givâ€™in me the vibe Iâ€™m speaking  
I wanted tell that all night so Iâ€™ve studied up  
To take weâ€™re youâ€™ll come  
Do something crazy youâ€™ve never done before  
Iâ€™ve studied up we ainâ€™t gotta go come  
Letâ€™s stay out all night

I will love you like we grown tonight  
I will pick you up and we go around  
Like weâ€™re tonight with the world fled back  
Hands up girl we owe we owe  
Hands up girl we owe we owe  
Then we can do this all night  
Just like we grown tonight

I know that you love and that youâ€™re buying it  
You seen a thing that starts from here  
I know you like every moment right  
I know you like sitting under the moonlight  
I know you like every moment you feel right  
So letâ€™s stay out all night  
I will love you like we grown tonight  
I will pick you up and we go around  
With a the world fled back  
Hands up girl we owe we owe  
Hands up girl we owe we owe  
Then we can do this all night  
Just like we grow  
Itâ€™s all right  
I just wanna love you  
Baby take my hand  
And we know if it feels right  
Ainâ€™t no stress  
Ainâ€™t no pressure

Baby Iâ€™ll just love you like we grown tonight

And we go around like we grown tonight  
The world fled back hands up girl  
We owe hands up girl we owe  
And we can do this all night  
Just like we grow we owe  
Just like we grow we owe  
Just like we grow we owe  
Just like we grow we owe  
Just like we grow we owe  
I will love you like we grown tonight  
I will pick you up and we around  
Like we grown tonight we owe we owe
