Like a dream, a childhood fantasy
You came to me, swept me off my feet
Like paradise lookin' in your eyes
You take my breath away baby, I'm here to say

You make me feel special
You're all that I need and more
Fairytale do come true
'Cause they did when I met you

The only time I ever fell
I fell for you
Now I'm so in love
So deep in love with you

When I'm with you, I get lost in time
When we're hand in hand, our dreams intertwined
On and on like drifting off to sea
Never ending, you're all I need, oh

You make me feel special
You're all that I need and more
Fairytale do come true
'Cause they did when I met you

The only time I ever fell
I fell for you
Now I'm so in love
So deep in love with you

The only time I ever fell
I fell for you
Now I'm so in love
So deep in love with you

You make me feel special
You're all that I need and more
Fairytale do come true
'Cause they did when I met you

The only time I ever fell
(You're so incredible)

I fell for you
Now I'm so in love
So deep in love with you

The only time I ever fell
(You're so incredible)
I fell for you
Now I'm so in love
So deep in love with you

(You make me feel special)
The only time I ever fell
(You're so incredible)
I fell for you
Now I'm so in love
So deep in love with you
