Why did you ever get this far?  
How can you be free,  
From something you don't know?  
It's up to you now,  
But I don't want to here it again.  
Cos you're never,  
Cos you're never here.

Do you ever think?  
(Just listen)  
Think for yourself?  
(Just listen).

If you try to live this way,  
Just maybe you will see,  
That this life just won't work.  
It's up to you now.  
Why don't you speak the truth,  
Again,  
Cos you're never,  
Cos you're never here.

Do you ever think?  
(Just listen)  
Think for yourself?  
(Just listen)  
Do you ever think?  
Think for yourself?  
Or just listen to what you're told?
