I can't keep up,
But I won't give in.
I'll try to say,
I'll try to stay,
I'll try to stay,
I'll always stay this way,
I try to break,
The really old routine,
It's more important,
It's more important,
It's more important,
Than it's ever been
Not my decision!

I feel like I'm gonna get forgotten.
You're guilt ridden,
I feel like I'm gonna get forgotten.
I feel, I feel, I feel like I'm gonna get forgotten

It never came in my head,
I always see what's right.
I won't look back.
I won't look back.
I won't look back.
I won't change my frame of mind.
I know it's mine,
This time it's mine,
This time it's mine,
This time it's mine,
And I will remain,

Not my decision.

I feel like I'm gonna get forgotten.
You're guilt ridden,
I feel like I'm gonna get forgotten.
It's always hidden.
I feel, I feel, I feel like I'm gonna get forgotten.

It's not my decision.
It's not my decision.

It's not my decision.
I feel like I'm gonna get forgotten,
It's not my decision.
I feel like I'm gonna get forgotten
You're guilt is ridden,
I feel like it's gonna get forgotten.
It's always hidden,
I feel like I'm gonna get forgotten
The world is spinning,
I feel, I feel, I feel like I'm gonna get forgotten
I feel, I feel, I feel like I'm gonna get forgotten
I feel, I feel, I feel like I'm gonna get forgotten.
