Never again to be the fool  
Now I know that all  
Is going away  
Wait and daylight is done  
We are terminal

Will the time of my life  
Be one out of time  
So seal me off from time  
Our final night  
Within vaults  
That I have been dreaming of  
Forever where life is denied

Never again am I to blame  
Barred from prying eyes  
And coming dismay  
Wait and my time is gone  
In back of the blades.

Will the time of my life  
Be one out of time  
So seal me off from time  
Our final night  
Within vaults  
That I have been dreaming of  
Forever where life is denied

I cannot even falter  
In the safety of  
What this shallow life  
Has forced me into

I chose confinement  
Inside the bladed vaults  
The day will not come  
When our punishment is over  
I am taken part  
Torn asunder

Will the time of my life  
Be one out of time

So seal me off from time  
Our final night  
Within vaults  
That I have been dreaming of  
Forever where life is denied

Will the time of my life  
Be one out of time  
So seal me off from time  
Our final night  
Within vaults  
That I have been dreaming of  
Forever where life is denied
