Fast cars,  
Fast women,  
Speed bikes with the nitro in 'em,  
Dangerous when driven,  
Those are the type that I be feelin (x2)

Sitting there while I observe,  
I like your lines I love your curves,  
Checking out your body work,  
How can I get with her,  
Your the one that I want,  
Do anything to turn you on,  
Somebody please just pass the keys,  
So you can take a ride with me

I'm on a mission,  
First thing disarming your system,  
Next thing slip the key in the ignition,  
Just listen,  
To the way that you purr at me know you prefer the  
speed,  
when the back starts dipping, wheels spinning,  
When the gears start shifting,  
I'm sticking till the turbo kicks in,  
You know that I'm missing,  
Got me moving so fast you got me missing the flash of  
five o!

Fast cars,  
Fast women,  
Speed bikes with the nitro in them,  
Dangerous when driven,  
Those are the type that I be feelin (x2)

Feel the ride feel the rush,  
The moment I tease your clutch,  
Reacting to my every touch,  
When shifting down or tearing up,  
I don't care where we go,  
To burn you out's the end result  
your dealing with a professional,

I'll spin your round just to let you know

I'm on a mission,  
First thing disarming your system,  
Next thing slip the key in the ignition,  
Just listen,  
To the way that you purr at me know you prefer the  
speed,  
When your back starts dipping  
And I'm unaware of the limits I'm hitting,  
Blurred vision and a critical condition,  
Could blow the transmission,  
Got me moving so fast you got me missing the flash of  
five o!

Fast cars,  
Fast women,  
Speed bikes with the nitro in them,  
Dangerous when driven,  
Those are the type that I be feelin (x2)

Body like a race car(woah)  
You got the curves like Jaguar(woah)  
Acceleration like a Yamaha(oh)  
I like the way you perform when I'm turning you on  
(ohh I like the way you perform girl when I'm turning yo  
on)  
I Feel it when I revving yah(woah)  
Smoother than a daimler(woah)  
you handle like a Lancer(oh)  
I like the way you perform when I'm turning you on...

Fast cars,  
Fast women,  
Speed bikes with the nitro in them,  
Dangerous when driven,  
Those are the type that I be feeling (x4)
