(Verse)

Saw some pictures in the paper,
of a girl I'd met the day before.
I couldn't believe that hours later,
I had reporters knockin at my door,
But I used to dream about,
the life I'm living now and,
I didn't think I'd miss those things from the past,
and I'm not afraid of leaving,
or letting go of what I had,
cause I realize that now there's no turning back.

(Chorus)

Cause I'm caught living in a world filled with love,
so when tear drops fall from me like rain from above,
I can brush my troubles away,
know that deep down inside,
I got sun shining in my life.

(Verse)

I used to think I could get better,
my girlfriends always used to get me wrong.
Some just sent messages, love letters,
but those kinda feelings never lasted long.
Cause now the only love I find's within a castle made of
sand,
and when the tide goes out it's swept away.
Though I got my peace of mind,
and time is firmly on my side,
and through the battles I can safely say...

(Chorus)

Cause I'm caught living in a world filled with love,
so when tear drops fall from me like rain from above,
I can brush my troubles away,
know that deep down inside,
I got sun shining in my life.

(Music Break)

(Chorus)

Cause I mean I'm caught living in a world filled with
love,
so when tear drops fall from me like rain from above,
I can brush my troubles away,
know that deep down inside,
I got sun shining in my life.
I'm caught living in a world filled with love,
so when tear drops fall from me like rain from above,
I can brush my troubles away,
know that deep down inside, I got sun shining in my
life.
