I don't care what you're thinking  
As you turn to me  
'Cause what I have in my two hands  
Is enough to set me free (set me free)  
I could fight the feeling  
To resist it over time  
But when it's just too much to take  
You sneak up from behind

Is it me, you say, you're looking for  
Let me show you who I am and what I'm here for...(here  
for)

Try to reach inside of me, try to drain my energy  
Let me show you just what I'm made of  
Simple curiosity tries to take a bite of me  
Let me show you just what I'm made of now...

Like a million faces  
I've recognized them all  
And one by one they've all become  
A number as they fall (as they fall)  
In the face of reason  
I can't take no more  
One by one they've all become  
A black mark on the floor

Is it me, you say, you're looking for  
Let me show you who I am and what I have in store... (in  
store)

Try to reach inside of me, try to drain my energy  
Let me show you just what I'm made of  
Simple curiosity tries to take a bite of me  
Let me show you just what I'm made of now...  
You can take another life long try  
You can take another try...

Guitar Solo

Try to reach inside of me, try to drain my energy  
Let me show you just what I'm made of

Simple curiosity tries to take a bite of me  
Let me show you just what I'm made of now...

Try to reach inside of me (Let me show you what I'm  
made of)  
Try to drain my energy (Let me show you what I'm  
made of)  
Let me show you just what I'm made of
