It's a girl thing With  
the right swing So move  
over while we do our thing  
Hey, Hey, Hey, Hey, Hey,  
Hey (Yeah, yeah, ya know we  
are the last ones standing)  
Hey, Hey, Hey, Hey, Hey, Hey  
(Yeah, yeah, ya know we are  
The last ones standing) It's  
the end of an era the start  
of a new day We get the mic  
and we're gonna rock it our

(Yeah, yeah, ya know we are the last  
one standing) It's your party keep  
us here let's stay up all night and  
be the last ones standing Yeah, yeah,  
ya know we are the last one standing)  
Try forgetting everything that you  
heard before No matter how many

Times you hear this You wanna hear  
it some more This is our year so  
have no fear We're gonna stay ya know  
We're gonna take it all the way Tight  
knitted we're fitted No one can  
break us take us Away from each other

the scene Together like a team we're  
gonna take it to the extreme A w
