### "Her Love Is Like"

Visit "[Her Love Is Like](#)" on [MotoLyrics.com](http://MotoLyrics.com)

(Chorus) x2

Her love is like cocaine-cocaine  
Drop a dopamine dump on my brain  
If I don't see her I'll go insane  
And it's really killin' me man

(Verse 1)

Yeah, I'm kinda sprung on her love  
That girl and me feeling all in love  
I'm writin this song cuz I'm in love  
And I'm afraid I'll lose her love  
Yeah and if I lose this girl I'll have a heart attack  
And my old self, I'll never go back  
Her and me go back to the old days  
When I first saw her I was in a daze  
And I can't stand to be away  
I wanna see her night and day  
But when I can't I think of her  
Her and I forever that's for sure  
I really don't know what else to say  
I wanna love-wanna love her in any possible way

(Chorus) x2

Her love is like cocaine-cocaine  
Drop a dopamine dump on my brain  
If I don't see her I'll go insane  
And it's really killin' me man

(Verse 2)

Yeah her love is a drug now it's an addiction  
And I'm the addictee this aint no fiction  
The description of love hard like an inscription  
Walk on the moon or dance like an Egyptian  
Yeah cuz that's all you wanna make me do  
And every time I see something that reminds me of you  
I start to think and I go crazy  
Cuz your just so amazing  
If you left my heart would be breaking  
You're like cocaine I'm takin

(Chorus)x2

Her love is like cocaine-cocaine  
Drop a dopamine dump on my brain  
If I don't see her I'll go insane  
And it's really killin' me man

(Verse 3)

I don't care if I'm redundant cuz her love is cocaine  
Need to see her or I'll die like Kurt Cobain  
Your love is so pure and so plain  
I'm so sane with you on the tracks imma train  
Your my soul mate and our love could never wane  
But if it managed to I'd be stuck with so much pain  
You're kinda like a tumor stuck in my brain  
But it's all good I like this bein insane  
Now this is the only song imma be playin  
And the chorus is the only words imma be sayin

(Chorus)x2

Her love is like cocaine-cocaine  
Drop a dopamine dump on my brain  
If I don't see her I'll go insane  
And it's really killin' me man

(Verse 4)

Baby girl I need your love so bad-so bad I wanna  
overdose  
And as long as I'm wit you we are never gon be  
comatose  
Yes I love you and I can say that with so much certainty  
And imma prove it to you every day, certainly  
You're more passionate than R'n'B and soul  
And the second you were in my life you had full control  
You're the only girl that I see no  
Other girl is gonna come between our destiny no  
Way no thing is gon make me write a prenup  
Cuz I trust you with my life with you I'd never go  
bankrupt  
I'm not sure if it's healthy to have such an obsession  
But right now it's fine cuz I don't have any depression  
But I will if you leave your love cocaine  
And I'll go through heartbreak and end up insane  
I'll end up insane baby
