It's about that time to get this started
So choose your trigger pull and spark it
Yeah I won't play the fool for you
This time I'd like to be different
Whoa-oh-oh

So save your breath or at least what's left
'Cause the time you spent being storyteller hasn't yet
Failed you this season but this season will change
And your fall as narrator will soon be my escape

Tonight I'll tell my story of regrets
Girl am I ecstatic
I swear that you're an addict to drama
Now go tell everybody
Now go tell everybody
Yeah go tell everybody
That I am just what other guys are for

And it's ok to say I'm worthless
I'll play your opinion till it hurts
It's nothing that I can do I'm just thinking maybe
Slapping some sense in you
Would shove your oh-so-pretty face to the floor
Its alright don't worry
The blood on the ground just means its working

Yeah
Tonight I'll tell my story of regrets
Girl am I ecstatic
I swear that you're so dramatic oh
Now go tell everybody
Now go tell everybody
Yeah go tell everybody
That I am just what other guys are for

Hands down
You're extraordinary
Hands down
Yeah ordinary
Keep this to yourself
But there's just something about you

Something about you

Oh yeah

Tonight I'll tell my story of regrets

Girl am I ecstatic

I swear that you're an addict to drama

Now go tell everybody

Now go tell everybody

Yeah go tell everybody

That I am just what other guys are for
