Release the bats  
Release the bats  
Don't tell me that it doesn't hurt  
A hundred bats fluttering in your skirt  
Don't tell me that it doesn't hurt

My baby is alright  
She doesn't mind a bit of dirt  
She says, "Horror vampire bat bite"  
She says, "Horror vampire, how I wish those bats would bite"  
Woah, bite  
Woah, bite  
Bite, bite, bite, bite

Release the bats  
Release the bats  
Pump them up and explode the things  
Her legs are chafed by sticky wings  
Sticky sticky little things

My baby is a cool machine  
She moves to the pulse of a generator  
She says, "Damn that sex supreme"  
She says, "Damn that horror bat, sex vampire, cool machine"

Release the bats  
Release the bats  
Release them

Baby is a cool machine  
She moves to the pulse of a generator  
She says, "Damn that sex supreme"

Sex horror sex bat sex horror sex vampire  
Sex bat horror vampire sex  
Cool machine  
Horror bat  
Bite  
Cool machine

Bite  
Sex vampire  
Bite
