#### INTRO:

Ladies and Gentlemen, Children of all ages. Welcome  
to the greatest show on Earth.  
(Tristo)

#### VERSE 1:

I'm the reigning champ. Typhoon wet your reign is  
damp  
I know your crust is soft. I'm a put on a show then dust  
you off  
Hut (1) Hut (2) I'm on my third season. Mind bogglin'  
show buzz like the bees and  
Jump start your heart and keep ya deep breathin'  
Cell phones off. The show's 'bout to begin

#### HOOK:

I am the show (show), Watch me go (watch me go)  
I am the entertainment rockin' out the globe (rock out  
the globe).  
Put on a show like never before (never before)  
Watch me tangle with the beast out on the floor.

I am the show, I am the show  
I am the entertainment rockin' the globe  
I am the show, I am the show  
I am the entertainment so watch me go

#### VERSE 2:

(Step right up, Step right up)

Climb into this stainless steel. This act is packed with  
the strangest feel  
He growls to let me know that the fangs are real. The  
king of the jungle needs a decent meal.  
No Sir! I'm not scared of him. Little does he know I'm  
Tristo the barbarian.  
Snatched him up and I told the beast. You ain't never

seen a show like me.

Do you really wanna go toe to toe with me? You can't even reach the goals I reach.

I aim to beat any show I see and when I'm done you gon' know bout me.

I'm just so courageous. Have no fear. My show's a piano. Play by ear.

There's much more to come so stay right here. You ain't never seen a show like me

HOOK:

I am the show (show), Watch me go (watch me go)

I am the entertainment rockin' out the globe (rock out the globe).

Put on a show like never before (never before)

Watch me tangle with the beast out on the floor.

(Spoken)

Thank you ladies and gentlemen for coming out tonight.

Now it's our time to shine.

See our name in the bright lights as we take over the world

Please give a round of applause for the Reigning Champions (dot com)

I am the Show! I am the Show!

I am the! I am the! I am the! (laughter)

VERSE 3:

Imagination will take you anywhere. Never look back unless you're goin' there.

I am the show this is the truth. Hope ya got your ticket at the ticket booth.

I go concrete hard while I'm in the booth. I keep it movin' like a baby tooth.

We did this on purpose, just scratched the surface. I

hope you enjoy Tristo's circus!
