Hey...yeah {Listenin' to that lonely girlfriend}
Ooh...hoo...
No, no, no, no
Oh, no, no, no, no
Oh, no, no, no, no {Don't listen to her, listen to her}
Oh, no, no, no, no {Oh, no}

Somethin' new is happening {What's the dealio}
Now you're checkin' up on me {Now you're checkin' up on me}
Question my integrity {Ooh...ooh...oh...}
That's not the way it used to be {Oh...}

I've always treated you like a queen {Like a queen, like a queen}
You never caught me doin' a thing {You never caught me doin' a thing}
Takin' advice from your lonely friend {Lone}
Telling you how to keep a man {Oh, no}

Well, if she's got it like that {Ooh like that}
Then tell me where her n****'s at
She can't stand the way I'm lovin' you (She's hatin' on me, hatin' on me)
You can't see she's jealous of you, so tell me

How's a b**** with no man (No man)
Gon' tell you what to do with your man (What to do with your man)
Listenin' to your girlfriend (Listenin' to that crazy h**)
You're gonna end up with no man just like her (All alone, all alone)

Baby, I just don't approve {Baby, I just don't approve}
This psycho h** you're listenin' to
Tryin' to sabotage you {Oh, no}
She must think I'm a crazy fool {Ooh...yeah..}

See, I come home every night
Yo', I'm tired, girl, but that's alright {Girl, I'm
workin' hard, pay the bills}
I make love to you I keep it live
Got your {Ah} just the way you like {That's right}

I'm peepin' somethin' you can't see {Ooh, you can't
see}
Your girlfriend wanna get with me
You shouldn't told her I was such a freak
Now she's tryin' to satisfy her curiosity, yeah

How's a b**** with no man (No man)
Gon' tell you what to do with your man (What to do
with your man)
Listenin' to your girlfriend (Oh...oh...)
You're gonna end up with no man just like her

Hello?
Girl he's already roamin'
I saw your man at the 7-11
And it's hard for me to say this
But he tried to get at me
You need to put some space between you
Or your gon' end up just like me

Tell me how

How's a b**** with no man (No man)
Gon' tell you what to do with your man (What to do
with your man)
Listenin' to your girlfriend (Oh...oh...)
You're gonna end up with no man just like her (All
alone, all alone, all alone, all alone)

How's a b**** with no man (Oh, no)
Gon' tell you what to do with your man (Don't listen
to her, she's all alone)
Listenin' to your girlfriend (Oh...oh...)
You're gonna end up with no man just like her

Don't listen to, don't listen to (No, no)
Don't listen to, don't listen to (No, no)
Don't listen to, don't listen to (No, no)
Don't listen to, don't listen to (No, no)

How's a b**** with no man (How's the girl)
Gon' tell you what to do with your man (Gon' tell you
what to do with your man)
Listenin' to your girlfriend (Listenin' to that crazy

h**)

You're gonna end up with no man just like her (All
alone, all alone)
