Boy, you'll never find another love as good as this
So you better represent 'cuz my love is the shhh!
(The bomb baby, bomb baby)
Girl, you'll never find another love as good as this
So you better represent 'cuz my love is the shhh!
(The bomb baby, bomb baby)

You keep telling me on the telephone, how you got it
going on
And how you'll keep me satisfied, ooh, yeah
But actions speak louder than words
I must see what I've heard, is it true or do you lie?

'Cuz I need somebody giving nothin'
But good loving all through the night, oh yeah
Someone to break me off a little something
When I need to be satisfied and I got one thing in mind

Boy, you'll never find another love as good as this
So you better represent 'cuz my love is the shhh!
(The bomb baby, bomb baby)
Girl, you'll never find another love as good as this
So you better represent 'cuz my love is the shhh!
(The bomb baby, bomb baby)

All these things I say to you, I swear that they are true
I'm all you'll ever need, oh yeah
Good love is so hard to find and I won't waste your time
Satisfaction is guaranteed

I'll be the lover that you need to break you off
In the middle of the night
I'll take a little trip downtown
I'll be the freak you need in your life and I know

Girl, you'll never find another love as good as this
So you better represent 'cuz my love is the shhh!
(The bomb baby, bomb baby)
Boy you'll never find another love as good as this
So you better represent 'cuz my love is the shhh!
(The bomb baby, bomb baby)

Don't stop, get it, get it
Don't stop, get it, get it
Don't stop, get it, get it
Don't stop, get it, get it

Let me work that body, baby
Let me work that body, baby
Let me work that body, baby
Let me work that body, baby

Boy, you'll never find another love as good as this
So you better represent 'cuz my love is the shhh!
(The bomb baby, bomb baby)
Girl, you'll never find another love as good as this
So you better represent 'cuz my love is the shhh!
(The bomb baby, bomb baby)

Boy, you'll never find another love as good as this
So you better represent 'cuz my love is the shhh!
(The bomb baby, bomb baby)
Girl, you'll never find another love as good as this
So you better represent 'cuz my love is the shhh!
(The bomb baby, bomb baby)

Boy, you'll never
You'll see, can't nobody love you like me
Girl, you'll never, baby, baby
Boy, you'll never
Nobody loves me better than you love
Girl, you'll never find another
