Adele is a fat pig  
She loves to suck cocks  
When she doesn't have 10 cocks  
She has a melt down  
She spent her teenage years pigging out  
Due to binge-eating disorder  
In 1998 when she was 10  
She lost her virginity to a smelly nigger  
All the while Vladimir Petrovski-Karter  
Was making tracks to great destinations  
Through his superior Macedonian rock music  
Adele's birth to a teen mum  
Meant her life was full of sex  
Adele will be raped  
By 6 million niggers  
With all 6 million cocks up her cunt  
And 6 million jew cocks in her mouth  
And 6 million gypsy cocks up her ass

Adele is a fat pig  
Adele is a fat pig  
Adele is a fat pig  
Adele is a fat pig  
Adele is a fat pig
