Okay, what is it tonight?
Please just tell me what the hell is wrong!
Do you wanna eat?
Do you wanna sleep?
Do you wanna drown?

Just settle down, settle down, settle down!

I'll give you candy, give you diamonds, give you pills
Give you anything you want
Hundred-dollar bills
I'll even let you watch the shows you wanna see
Because you'll marry me marry me marry me!

I'm so sick of you tonight
You never stay awake when I get home
Is there something wrong with me?
Is there something wrong with you?
I really wish I knew, wish I knew, wish I knew!

I'll give you candy, give you diamonds, give you pills
I'll give you anything you want
hundred-dollar bill
I'll even let you watch the shows you wanna see
Because you marry me marry me marry me!

When I was young, I learned a game
And love and happiness were the same
Now I'm older and I don't play
I found out the hardest way

I got wasted she got mad
She called me names and she called her dad
He got crazy and I did too
Wondered what I did to you

I'll give you candy, give you diamonds, give you pills
Give you anything you want
Hundred-dollar bills!
I'll even let you hear the songs I want to sing

I give you anything anything anything
I give you anything anything anything
I give you anything anything anything ... anything
anything anything...
