Over the mountains we'll fly  
When there is enough space to be ourselves  
Over the mountains we'll fly  
Over the mountains we'll fly  
The golden country and the rest of the world

But there's a reason  
For you and for me  
Why we have to wait  
Please wait with me

Away from home we're strong  
Away from home we're strong

Over the seven seas we'll fly  
Over the seven seas we'll fly  
When there is enough time to live  
Come on let me bring you some new things  
From all over the world

But there's a reason  
For you and for me  
Why we have to wait  
Please wait with me

Away from home we're strong  
Away from home we're strong

Away from home we're strong  
Away from home we're strong
