This could take some explaining but I'm sure you will agree

There is no use pretending that there's hope for you and me

And I love her but do you think she can see

When I tell her it's the end for you and me

It was over ever since you went and shot me

Like a harpoon

Like a harpoon

Like a harpoon in my heart

Like a harpoon

Like a harpoon in my heart

I can handle the fighting it's affection I can't stand

And I don't mind us talking just don't try to hold my hand

And I love her but do you think she can see

When I tell her it's the end for you and me

It was over ever since you went and shot me

Like a harpoon

Like a harpoon

Like a harpoon in my heart

Like a harpoon

Like a harpoon in my heart

When you left, I didn't want you back

Now your gone, so won't you

Go right back (x7)

Why does it hurt?

Simple matters don't seem worth

We are the same, it's not happening again

And I love her but do you think she can see

When I tell her it's the end for you and me

It was over ever since you went and shot me

Like a harpoon

Like a harpoon

Like a harpoon in my heart

Like a harpoon

Like a harpoon in my heart

Like a harpoon

Like a harpoon

Like a harpoon in my heart
