I kissed a drunk girl
I kissed a drunk girl yes I did
I kissed a drunk girl on the lips

I let my guard down
How could I have been so dumb
Her eyes were open
I know I am not the one
I know I am not the one
I know I am not the one

I kissed a drunk girl
Why do I do these things I do to myself
I kissed a drunk girl
And I'm sure I could've been
With anybody else

I went to her house
And everybody there was gone
Her little cousin just passed out on the lawn
We walked to my car
She mouthed is everything okay?
She leaned in slowly
So now I can say

I kissed a drunk girl
Why do I do these things I do to myself
I kissed a drunk girl
And I'm sure I could've been
With anybody else
Anybody else

I pulled away, doesn't see
I didn't think it would be right
I said, Let's save this for some other night
And she said no,no,no I know that everything's gonna
be just fine
How could I do this
When I want her to be all mine

I kissed a drunk girl
Why do I do these things I do to myself

I kissed a drunk girl
And I'm sure I could've been
With anybody else
Anybody else

I know you don't care about me
I'm sure when all is said and done
And I go home feeling lonely
You will have had your fun
Do you even remember?

I kissed a drunk girl
Why do I do these things I do to myself
I kissed a drunk girl
And I'm sure, and I'm sure I could've been
With anybody else
With anybody else
With anybody else
I could've been anybody else
