### Verse 1

I have a story a bitter anthem  
for everyone to hear about this kid who just dont like  
me  
and thats a solid fact they say hes hunting me and as  
you see im all swelled up with fear 'cause i cant get him  
off my back

[:Chorus:]

If u c jordan  
IF u c jordan  
He makes me sick, makes me sick  
High schools over, high schools over  
and you still wont quit...

### Verse 2

You tried to fight me down  
at tylers beach and man i think thats great.  
You nearly cried and said  
to yell at you like you do at all the girls.  
Then you drove home real quick did you make it in time  
to masterbate?

Theres one too many of you this world

Chorus:]

If you see jordan  
if you see jordan  
he makes me sick  
makes me sick  
high schools over  
high schools over  
and you still wont quick

Fuck you jordan  
fuck you jordan  
you make me sick  
you make me sick  
high schools over  
high schools over  
i dont care if you dye your hair you'll always be  
a little red head bitch
