I'm missing the days
I'm missing the nights
Where we did not talk
About my life and what it's like

Leave me here with some nice goodbyes
We both know that that's fake
Try to keep the stupid still
I hope that you feel fine

I'm missing the days
I'm missing the nights
Where we did not talk
About my life and what it's like

So I'm here
With nothing left
Except my scar-covering pride
Is it worth it to be fully yours?
When I've to leave my walls?

I'm missing the days
I'm missing the nights
Where we did not talk
About my life and what it's like

I'm not over it
I'm not over it
I'm not over it
I'm not over it

I'm not over it
I'm not over it
I'm not over it
I'm not over it

I'm missing the days
I'm missing the nights
Where we did not talk
About my life and what it's like

I'm missing the days
I'm missing the nights
Where we did not talk
About my life and what it's like
