Missed by a fraction, now it's gone
Stare into the camera and smile
How did we manage to get so lost?
I'm sorry, i don't know, i tried
Except i lied (x3)
It's just a picture (x2)
(please somebody tell me it's a picture) (x2)
It's just a list of things i'd like to say to you
I've found the meaning, it's right over here
And between you and i
I'd like to say nothing now
I'd like to have nothing to say for a while
For a while
Just for a while (x2)
Just for a little while
It's just a picture (x2)
(please somebody tell me it's a picture) (x2)
It's just a list of things i'd like to say to you
Say to you
(please, please somebody) (x3)
It's just a picture (x2)
It's just a list of things i say to you
Say to you
