I've been pushed down a long corridor
My head is aching
My back is sore
It was a line of laughing men
They keep pushing me to one big end
You go this way
And i'll go that way
Don't be crazy
Just do what i say
I found a room with a hundred doors
A falling roof
An unsteady floor
I've been pulled and pushed each different way
I can't decide and i can't stay
You'll go this way
And i'll go that way
Don't be crazy
Just do what i say
Do i decide, do i have a choice?
Cos you talk so loud i can't hear my own voice
Just let me drift, isn't that okay?
Cos i can't make up my mind today
You'll go this way
And i'll go that way
Don't be crazy
Just do what i say
Do what i say
