Maybe when the room is empty,  
maybe when the bottle's full,  
maybe when the door gets broke down love can break  
in.  
Maybe when I'm done with thinking  
maybe you can think me whole  
maybe when I'm done with endings this can begin.  
This can begin  
This can begin  
If you could be my punk rock princess,  
I would be your garage band king.  
You could tell my why you just don't fit in, and how your  
gonna be somethin'  
Maybe when your hair gets darker  
maybe when your eyes get wide  
maybe when the walls are smaller there will be more  
space.  
Maybe when I'm not so tired  
maybe you can step inside  
maybe when I look for things that I can't replace  
I can't replace  
I can't replace  
If you could be my punk rock princess  
I would be your garage band king  
You could tell my why you just don't fit in, and how your  
gonna be something  
If I could be your first real heartache I would do it over  
again.  
If you could be my punk rock princess, I would be your  
heroin.  
I never thought you'd last  
I never dream you would.  
You watch your life go past  
you wonder if you should...  
If you should be my punk rock princess so I would be  
your garage band king  
you could tell my why you just don't fit in, and how your  
gonna be something.  
If I could be your first real heartache, I would do it over  
again.  
If you could be my punk rock princess I would be your  
heroin.

Whoa Ohhhh, you know, you only burn my bridges  
Whoa Ohhhh, you know, you just can't let it sink it.  
You could be my heroin  
You could be my heroin
