Home, is this a quiet place where you should be alone?
Is this where the tortured and the troubled find their
own?

I don't know, but I can tell this isn't you, your cover's
blown

But oh no, don't you dare hang up this phone

Hey! Give me space so I can breathe
Give me space so I can sleep
Give me space so you can drown in this with me

In this place
The lonely escapade in outer space
There's no anecdote for irony, You say
that you have,
when you know,
That you don't,
and you say,
that you can,
When you know,
that you won't

Hey! Give me space so I can breathe

Give me space so I can sleep
Give me space so you can drown in this with me

Hey! Give me space but I can't breathe
Give me space but I can't sleep
Give me just one inch I swear that's all I need, oh

These battered walls and TV screens
Sometimes they make me want to scream
Â
Ahhh!

Hey! Give me space so I can breathe
Give me space so I can sleep
Give me space so you can drown in this with me

Hey! Give me Space but I can't breathe
Give me space but I can't sleep

Give me just one inch I swear that's all I need
