I listen to you breathe,
Quiet winds that send you on your way
Away to a dream
Another time, a nothing time, another day
I wish i could see
The oceans that your eyes will never know
I wish i could be, somewhere in the undertow
And you, in your sleep
Diving down to follow me,
And you, in a dream
You talk in your sleep
Quiet words that spin around my head
So let me be, fading down the waking worlds
And there, you know where I'll be
You know where I'll be
And you, in your sleep
Diving down to follow me
And you, in a dream
And you, in your sleep
Diving down to follow me
And you, in a dream, ohh
