"The Last Day"

Visit "[The Last Day](#)" on MotoLyrics.com

I can't believe that I
Did not get to know you better these years
If I'm honest it wasn't a surprise at the end
I never lied and I looked up to you
Like a knife to this night
I never tried to keep back anything
What's good about you

And it is hard to
Realize that
We are at a point of no return

And it is hard to
Realize that
There's nothing hold on to

One day
All the money you can hide
All the liars you can buy
All the women you can try
They will fall
They will fall

Oh oh oh oh oh oh oh
Oh oh oh oh oh oh oh
Oh oh oh oh oh oh oh
Oh oh oh oh oh oh oh

How could you allow that
I have to sing a song like this
Where have you been when
I decided to write this message down
I can't believe that nothing could stop you
From hiding the truth
Sometimes it's better
Better to say goodbye without words

It is hard to
Realize that
We are at a point of no return

And it is hard to
Realize that
There's nothing hold on to

One day
All the money you can hide
All the liars you can buy
All the women you can try
They will fall
They will fall

Oh oh oh oh oh oh oh
Oh oh oh oh oh oh oh
Oh oh oh oh oh oh oh
Oh oh oh oh oh oh oh

One day
All the money you can hide
All the liars you can buy
All the women you can try
They will fall
They will fall

One day
All the money you can hide
All the liars you can buy
All the women you can try
They will fall
They will fall
