(Verse)

Drug dealin nigga, man Iâ€™m dealin in all the drugs

62 a crack, broken down to 10â€™s and 20â€™s

If I start in the morning Iâ€™ll be out by the night

When I cook in the kitchen just need a pot and a knife

I pitch by the day, I pitch by the night

I pitch like Iâ€™m buried that mean I cheat for the money

Bitches donâ€™t like me, they say Iâ€™m cheap with the money

Well fuck you bitch, Iâ€™d rather sleep with my money

Thatâ€™s real nigga shit, Iâ€™m from a real nigga clique

Well if itâ€™s drama ainâ€™t no problem when I bust in the 5th

Play no disrespect, they leave the bustin yo shit

And if I really get spiteful I get to bustin your bitch

(Hook x2)

Drug game, cocaine, promethazine and molly

Heroin, OC, Ecstasy, money

Drug game, cocaine, promethazine and molly

(Verse)

8ball in my pocket, I might hit this a rocket

See these hatin ass cops? They wish they could stop me

I be in front of the peeps, back in the trap

Got some homies with me, we all sling crack

We donâ€™t be on computers but we all got max

I swear to God on my life, this shit so potent

It might have body Denise, knee deep in the streets

Call on weak when it's beef, see I don't play when I
preach
I leave the blaze on the streets, missed that bass and
that soda
That's dope game slang, BSB be the clique
Dealin all business, that's how I did with my business
Put that tat to your chest, start attackin yo spirit

(Hook x2)

Drug game, cocaine, promethazine and molly
Heroin, OC, Ecstasy, money
Drug game, cocaine, promethazine and molly
Heroin, OC, Ecstasy, money
