Psycho life no bitch ass niggas
Pimp my lamb my sea 4 niggas,
Ride got em line, like Iâ€™ve seen 4 niggas
Niggas 4-4 till your dough, no more niggas
War force moving you there, walk with us,
Jam boys over the edge, we known killers,
Six hots straight to the head with no giller,
All stage tossing my bread the glass flippers,
Attached to a parallel, itâ€™s longer than a muff
Thatâ€™s attached to a girl, that I believe one fuck
She attached to a nigga who might independent...
Far God show a nigga how itâ€™s done,
For the Gâ€™s I notoriously end up a...
I might G ride more dirty than T I
Ex pills, pistile, magnum no PI,
North side send your own school squad to the...
The rip change long enough,
Tryin to box with the God you ainâ€™t strong enough
Fuck her, itâ€™s fool for thought walk em to the last
supper,
And after that to the right of the upper room suckers,
Close casket the author that the closure chapter,
Automatic, the flowâ€™s faster, fuck rappers,
Call me Jack the ripper, Iâ€™m from this thriller,
And the navy call a Cadillac, head it to the fill up,
About time to kiss the rank, mail to the gang
From beyond the wall, the one you call when you the
one Iâ€™m gone,
Call name mister wolf, put the 4 time work on this half
way brooks got em shook,
Got em drop on niggas like Iâ€™m hit em in the brook,
You know thatâ€™s a place where niggas wonâ€™t look
Thatâ€™s a prize I come back for everything you gonna
took,
To hide up in the kitchen but you canâ€™t blame the
cook, no.

The boy... travel with no weapon, no slapping and no
disrespective
And knowing me, there ainâ€™t no one that only know
and agreeable

Propose to this... what I know to be,
The boy say got infinit beef for real enemies
Not the cast the... street, damn the cast I try to bring up
the speed,
High like it's the front to take this... in the living of...
This is what I live and I breathe,
Universal Lord this is long as I live the...
I lean on them thinkers... they don't try to eat in my...
I'm keen on em like I'm holy don't email when I
lean
I lean when I make to lake
Early on I hit the same the sinker what's a sea to
believe
Casket... even read the relief
Think it's holla point lead
Mister Sammy come to bring you a drink,
I'm drink a mosquito whenever come to...
Some ancient... the truth, with the possible go on
Go on, hold on in your true sense,
Keep movements, not hit em amusement and find out
what the movement
Then warm with the wolf where wear...
