

Trucker Diablo

"Drink Beer Destroy"

Visit "[Drink Beer Destroy](#)" on MotoLyrics.com

Party going on party going on party going on in your house
You can come along you can come along you can come along without a doubt
You can fall in love you can fall in love you can fall in love with everyone Party going on party going on party going on in your house

Drink Beer Destroy everyone you see crashing down on me one more time (x2)

Party going on party going on party going on in your house
You can come along you can come along you can come along without a doubt
You can fall in love you can fall in love you can fall in love with everyone Party going on party going on party going on in your house

Drink Beer destroy everyone you see crashing down on me one more time (x2)

Drink Beer destroy everyone you see crashing down on me one more time (x2)
