Oooooh

It's been a long day and you and I are waiting
It's been a long time for us to sit and stay (??)
It's been a long time since I saw you smiling
It's been a long while since you shed a tear

Baby sometimes

Sometimes words stay on the tip of my tongue
There's an easy way but hard to let them out
Gotta let them out for me boy
Sometimes words stay on the tip of my tongue
Someone help me please help me get him trough
Help me get him trough
Get him trough

It's been a long time since you and I were fighting
It's been a long while since you've shown me you care
It's been a cloudy time, no sunshine or light, it's been
raining

I wanna tell those eyes it will be all right
'cause baby sometimes

Sometimes words stay on the tip of my tongue
There's an easy way but hard to let them out
Sometimes words stay on the tip of my tongue yeah
Someone help me please help me get him trough
Get him trough yeah yeah

No no no no no no

Oooooh baby

There's so much I wanna say to you yeah yeah
Ooh no no

It's right there, right there, on the tip of my tongue
Ooh baby baby baby

Sometimes words stay on the tip of my tongue, yes
they do

There's an easy way but hard to let them out, yes there
is

Sometimes words stay on the tip of my tongue, (tip of
my tongue)

Someone help me please, help me
To get them trough

Sometimes words stay on the tip of my tongue, yeah
Someone help me please help me to get them trough
Baby yeah
I just wanna talk to you
Get them trough
