I'm movin' on my scraper bike
I'm cruisin' on my scraper bike
My scraper bike go hard
I don't need no car
Smashin' on my scraper bike
Scraping on my scraper bike
Scraping on my scraper bike

On my scraper bike [x4]

I like Huskies, Mountains, Pacifics and
Schwinns
Ghost ride my bike is here to win
I go stupid, dumb, 18 retarded
Scraping my bikes looking hella retarded
But it's good, cause I'm ridin' on 4's on my scraper bike
Like I'm in the pros
And you know, I go I'm the inventor of the scraper
bikes, girl you know
I'm the king of the scraper bikes
My rhymes is nice
I got 24 inches on my scraper bike
They go hard, hard to the fools in every
Part and if you get out of line, you might just fall
Or I might just push ya
Go 18 Dummy and they call me The Pusha
Only if you knew just how I do
I ride the scraper bikes with me and my crew

I'm movin' on my scraper bike
I'm cruisin' on my scraper bike
My scraper bike go hard
I don't need no car
Smashin' on my scraper bike
Scraping on my scraper bike
Scraping on my scraper bike

On my scraper bike [x4]

You might see me ridin' two wheels scraper bikin'
Smashin' downhill, like I came from hiking

Pull a lesbo, get away from dykin'
From the block to the booth, yeah I'm always ridin'
Two toned D-BO's red and black
They might see me with champ ridin back to back
Yellow, green, orange with bling, scraper bikes is on
the scene
Trunk Boiz drill, yep that's my team, got a fire red bike
just like the bean
Pull that blue thing out and you know it's through
Profilin in the streets, bro, what that do
Got rims on candies, slappin' too
Don't think I'm finished, I'm only halfway through
Might spin another rack, or maybe two
Don't hate I got a bike that make your mama choose

I'm movin' on my scraper bike
I'm cruisin' on my scraper bike
My scraper bike go hard
I don't need no car
Smashin' on my scraper bike
Scraping on my scraper bike
Scraping on my scraper bike

On my scraper bike [x4]

What is this?
What do we have here?
Handlebars I don't even have to steer
Man the scraper bike, go oh so hype
15 deep, man I wish you (I won't!)
Movin' fast, real swiftly
With something you've never seen
Oh so spiffy
Scraper bikes was invented in the towns
By a champ who loves to get around
When we come around, they know who we be
Touch slappin' the 15, promoting our CDs
On the bike, and even in the car
Still pullin' bras, lookin' like a star
It got TV's on it and it got slap
"Wait a minute guy are there spinners on that?"
We always comin' out with something new in the O
Contagious trends and ideas that go

I'm movin' on my scraper bike
I'm cruisin' on my scraper bike
My scraper bike go hard
I don't need no car
Smashin' on my scraper bike
Scraping on my scraper bike
Scraping on my scraper bike

On my scraper bike [x3]

On my scraper bike [x4]
