I'm failing now  
Starving for the answers  
I'm slowing down and losing ground

So how can i go on  
When you're breaking down  
When you're breaking down  
It's tearing me apart  
So keep me strong  
While you're breaking down  
Cause i'm breaking down

I'm standing strong  
Looking for the reasons  
Somewhere Somehow  
But I need you now

So how can i go on  
When you're breaking down  
When you're breaking down  
It's tearing me apart  
So keep me strong  
While you're breaking down  
Cause i'm breaking down

I will promise to stand by you  
Until this ends  
I will promise to stand by you  
Until this ends

So how can i go on  
When you're breaking down  
When you're breaking down  
It's tearing me apart  
So keep me strong  
While you're breaking down  
Cause i'm breaking down

Save me now  
I need you to save me now  
Cause i'm breaking down
