Another Day  
Some Other Way  
I Fall along the wayside  
Drifting away  
And What I need  
Inside of me  
I'll find a way to say  
And push it all away  
I'm holding on to anything  
I'm floting here in space  
I'm reaching out for anyone  
To save me from this place  
I can't remember anything  
I'm lost without a trace again

So far away into the gray  
I'm trying to remember  
And find the words to say  
Another day  
Some other way

Another Day  
Some Other Way  
I Fall along the wayside  
Drifting away  
And What I need  
Inside of me  
I'll find a way to say  
And push it all away  
I'm holding on to anything  
I'm floting here in space  
I'm reaching out for anyone  
To save me from this place  
I can't remember anything  
I'm lost without a trace again  
I'm waiting here for anyone  
I'm floating here in space  
I'm reaching out for anyone  
To save me from this place  
I can't remember anything  
I'm lost without a trace again
