

## Trybe "Autumn"

Where is reason now? It's been too long  
Riding the wings of a lie.  
Feeling suffocated, feeling so frustrated.  
Where is reason now? It's caged inside  
Digging deeper to find.  
And it's breathing, it's teething, it's breeding tonight...

Cuz I...  
I'll build myself a broken home...  
Until the sky stops falling.  
I...  
I'll sew my eyes shut just for a while...  
Until I feel Autumn come...

Coming undone  
This sacred kingdom  
Oh no I'm not letting go.  
Coming undone  
This sacred kingdom  
Oh no I'm not letting goooo

Cuz I...  
I'll build myself a broken home  
Until the sky stops falling.  
I...  
I'll sew my eyes shut just for a while...  
Until I feel Autumn come

Find myself again  
Until I've bled enough.  
Find myself again  
Until I've bled enough.

Until I find myself again...  
Until I feel the ground give way...  
Until I feel something else...  
Until I feel Autumn come...

Until I feel Autumn come  
Until I feel Autumn come  
Until I feel Autumn come

Until I feel Autumn come
