Yeah, yeah, yeah

The strangeness that I feel

Rattles my bones

It rattles my bones

Ain't no bonebag

I'm tired and sagging

Only 21 but feel like 99 sometimes

Just sittin' here

In my lazy chair

Watching all the young ones

With their grey hair

Ain't no bonebag

I'm tired and sagging

You know I feel like 99 sometimes

Yeah, yeah, yeah, yeah, bonebag

Yeah, yeah, yeah, yeah, bonebag

Ain't no bonebag

I'm tired and sagging

Only 21 but I feel like 99 sometimes

Makes me feel like 99

Feel like 99

And I feel, feel, feel...

Feel like 99

Only 21 sometimes

Feel like

Feel like

Bonebag

Bonebag

Bonebag

Ain't no bonebag

Bonebag

Ain't no bonebag

Ain't no bonebag

And I feel like 99 sometimes

Ain't no bonebag

I'm tired and sagging

I ain't no bonebag

I'm tired anymore

Only 21

Like 99 sometimes
