Embrace the wind with both arms  
Stop the clouds dead in sky  
Hang your head no more  
And beg no more

Brother Wolf and Sister Moon  
Your Time has come  
Brother Wolf and Sister Moon  
Your Time has come

And the wind will blow my fears away  
Will dry my tears away  
And dry my tears away  
And blow my fears away

Embrace the wind with both arms  
Stop the clouds dead in sky  
Hang your head no more  
And beg no more

Brother Wolf and Sister Moon  
Your Time has come  
Brother Wolf and Sister Moon  
Your Time has come

And the wind will blow my fears away  
Will dry my tears away  
And blow my fears away  
And dry my tears away

And the wind will blow my fears away  
Will dry my tears away  
And blow my fears away  
And dry my- dry my tears away  
dry my tears away  
And blow my- blow my fears away  
And blow my fears away  
And blow my  
And blow my  
And blow my  
And blow my fears away
