Fire woman, yeah

Shake, shake, shake, shake it, yeah

Wound up, can't sleep, can't do anything right, little
honey

Oh, since i set my eyes on you

I tell you the truth

Tttttwisting like a flame in a slow dance, baby

You're driving me crazy

Come on, little honey

Come on now

Fire

Smoke, she is a rising

Fire, yeah

Smoke on the horizon, well

Fire

Smoke, she is a rising

Fire

Oh, smokestack lightning

Smokestack lightning

Well, shake it up, you're to blame, got me swaying little
honey

My heart's a ball of burning flame

Oh, yes it is

Twisting like a cat on a hot tin shack

Lord, have mercy

Come on little sister

Come on and shake it

Fire

Smoke, she is a rising

Fire, yeah

Smoke on the horizon, well

Fire

Smoke, she is a rising

Fire

Oh, smokestack lightning

Smokestack lightning, baby

I was thinking what I've been missing
I'll tell you truthfully, well
She's coming close now
Oh, I can feel her
She's getting close to me
And I never, yeah

Fire
Smoke, she is a rising
Fire, yeah
Smoke on the horizon, well
Fire
Smoke, she is a rising
Fire
Oh, smokestack lightning
Smokestack lightning
Jajajajaja

Burning out
And shake it baby
Gotta have money

Stand down in front of me
Say, stand down in front of me
Say, stand down in front of me, yeah

Fire woman, you're to blame
Fire woman, you're to blame
Fire woman, you're to blame
Fire woman, you're to blame
