Down and out in London
Los Angeles, and Paris, too, uh-huh
I drank a river in my time
Just to get on through, yeah

Well, the night, rise above me, rise above me
And the blues, they swirl around me

To the...
Heart of soul
You got to bleed a little while you sing
Lest the words don't mean nothing, no
Get to the heart of soul
Gonna get to the heart of soul, yeah

Get to the hip, now baby
'fore the hip gets to you, yeah, lil' woman
Try to bend me out of shape
Can't tell me, can't tell me what to do, little honey

Well, the night, rise above me, rise above me, yeah
And those blues, they swirl around me, ooh, ooh

To the
Heart of soul
You gotta bleed a little while you sing
Lest the words don't mean nothing, no
Owe, get to the heart of soul, yeah
Gonna get to the heart of soul

You gotta bleed a little while your singing, (singing
yeah, yeah, yeah)
Lest the words don't mean nothing, no
Get to the heart of soul, yeah
Baby, heart of soul, owe

From the Delta
Down on the river, mmmh
We gonna gonna gonna go now baby...
Gonna find a lil' bit of heart of soul now baby, yeah
We need some heart of soul

In the world today now
A little bit of heart of soul now
In the world today
A little bit of soul now
A little heart of so-so-so-so, soul

You're gotta bleed a little while your singing, (singing
yeah, yeah, yeah)
Lest the words don't mean nothing, no they don't, no
Get to the heart of soul, yeah
Owe, baby, heart of soul

You're gotta bleed a little while your singing, (singing,
yeaheah)
Lest the words don't mean nothing, no, no
Get to the heart of soul, yeah
Wooow, baby, heart of soul

[Solo]

Baby baby baby baby
What I what I what I what I what I what I what I what I what I
what I want
Is a heart of soul
What I what I what I what I what I what I need now
Is a heart of soul now
What I what I what I what I what I what I what I what I what I
what I want
Heart of soul, yeah
What I what I what I what I what I want baby, is a heart of soul
yeah
You got the heart, you got the soul
You got the heart of soul, yeah!

You got the heart, you got the soul
You got the heart of soul, yeah!
You got the heart, you got the soul
You got the heart of soul, yeah!
