Comes and goes

And goes, she comes

No man will ever

Make her moan

Break her bones

Hey Judith

Judith

Hey, hey

On the weight of a storm

She comes and goes

Oh Judith

Yeah, Judith

Oh Judith

Judith

Judith

Oh Judith

Oh Judith

No man will ever

Break her bones

Break her bones

With fire in her halo

She comes and goes, yeah

Judith

Judith

Judith

Judith

Judith

Judith

Judith

There she goes

Judith

Hey, yeah...

Judith...
