Love obviously very soon everybody C'mon now Love obviously very soon everybody Wanna dig the scene? Oh don't you love that sweet time

Oh don't you love that sweet time Love, obviously, very soon, everybody Spent a long time in this town Love, obviously, very soon, everybody Spent a long time in the wrong town

Spent a long time in this hole Oh, oh won't you love that sweet time? Spent a long time in the wrong hole Oh, oh don't you love that sweet time? Gonna drive away in a big fast car

Gonna drive away won't get to far Spent a long time on this road Gonna drive away don't know how far Spent a long time in this town Love obviously very soon everybody Spent a long time in the wrong road Love obviously very soon everybody Spent a long time in this town Oh don't you love that sweet time Gonna drive away in a big fast car Oh don't you love that sweet time Gonna drive away, won't get too far Gonna drive away, don't know how far Gonna drive away in a big fast car

Love, obviously, very soon, everybody Love, obviously, very soon, everybody

Oh, oh don't you love that sweet time? Oh, don't you love that sweet time?

C'mon now

Spent a long time in your hole Spent a long time in the wrong hole Spent a long time in this town I spent a long time in my town

Gonna drive away in a big fast car Gonna drive away, won't get too far Gonna drive away, won't get too far Gonna drive away, don't know how far How far Oh yeah In this town In my town In my town That's just my fee

Love Love I look for the grand conditions near her heart

Love...
