I float through day and nite life most of the time
I float through day and night life, well most of the time
Till I hung up my blues on a nail on your wall
Till i hung up my blues on a nail in your wall
It rained flowers when the music began
It rained flowers when the music began
Love all around when the music is loud
Love all around when the music is loud
Every day Nirvana

Always this way
Every day, nirvana
I wish every day was like nirvana
Always this way, yeah, yeah, yeah
Always this way
I wish that every day, nirvana
I'm not looking for girls or cheap thrills and pills
Always this way
Always this way

I wish every day was like nirvana
I'm not looking for girls or cheap thrills and pills
Always this way every day
Or happy to sit on your merry-go-round, no, no
Like the sun Nirvana
I don't think there's an easy way out of here
Always this way
But when the music is loud, we all get down

Every day, nirvana
Always this way, always this way, yeah
I wish that every day was like nirvana
Always this way

Take it here, now
Run this through your head

Oh, every day, nirvana
Always this way, yeah, yeah, yeah
I wish that every, like the sun, nirvana
Always this way, oh yeah, yeah

Every day, nirvana
Always this way, yeah, yeah, yeah, yeah
Every, like the sun, nirvana
Always this way, oh yeah

Every day, nirvana
Always this way, oh yeah, yeah
I wish that every, like the sun, nirvana
Always this way
Nirvana
