Oh the heads that turn
Make my back burn
And those heads that turn
Make my back, make my back burn

The sparkle in your eyes
Keeps me alive
And the sparkle in your eyes
Keeps me alive
Keeps me alive

The world and the world
The world and the world
The world drags me down

Oh the heads that turn
Make my back burn
And those heads that turn
Make my back, make my back burn

The fire in your eyes
Keeps me alive
And the fire in your eyes
Keeps me alive

And so in her you'll find
The sanctuary
And so in her you'll find
The sanctuary

And the world
The world turns me around
And the world and the world
The world drags me down
And the world and the world and the world
The world drags me down
And the world and the world and the world and the
world
The world drags me down

And the world

The world turns me around
And the world and the world
The world drags me down
And the world and the world and the world
The world drags me down
