You love it
You need it
You taste it
You breathe it
You want it
You feel it
You got to receive it

You hate it
Can't leave it
You shoot it
You cheat it
Reject it
Respect it
Don't try to deceive it

Take the power
We're all free
Take the power
You got to let it bleed
Take the power
Got to just believe
Take the power
It's all in me
It's all in me

You love it
You need it
You taste it
You breathe it
You want it
You feel it
You got to receive it

You hate it
Can't leave it
You shoot it
You cheat it
Reject it
Respect it
Don't try to deceive it

Take the power
We're all free
Take the power
You got to let it bleed
Take the power
Got to just believe
Take the power
It's all in me
It's all in me

Take a little leap of faith
Kiss the heart that hides the snake
You never fades
Take a little leap of faith
Kiss the heart that hides the snake
You never fades
You love it
You need it
You taste it
You breathe it
You want it
You feel it
You got to receive it

You hate it
Can't leave it
You shoot it
You cheat it
Reject it
Respect it
Don't try to deceive it

Take the power
We're all free
Take the power
You got to let it bleed
Take the power
Got to just believe
Take the power
It's all in me
It's all in me

Take the power
We're all free
Take the power
You got to let it bleed
Take the power
Got to just believe
Take the power
It's all in me

It's all in me
