I blame myself for being boring,  
did i say, did I say what i want?  
Well here's my chance to tell you everything.

I blame you for being awful,  
Did I say, did I say what I want?  
you're scared of change and that's the ending,  
Did I say, did I say what I want?  
You're still the same so stop pretending.

(wwooooah) I'm rolling down the road  
to keep you happy  
(wwooooah) I'm rolling down the road  
to keep you happy

did I say, did I say what I want?  
i cannot change to meet your morals.  
did I say, did I say what I want?  
I'm moving forward so i can reach my goals  
(wwooooah) I'm rolling down the road  
to keep you happy  
(wwooooah) I'm rolling down the road  
to keep you happy

whenever i feel this way I get inclined to understand  
your way  
stare into the silent light as waves of thought crash  
through my mind slowly  
reach out slowly reach out slowly

(wwooooah) I'm rolling down the road  
to keep you happy  
(wwooooah) I'm rolling down the road  
to keep you happy
