On the outside, you're cavin' in  
On the outside your right  
On the outside your right  
On the outside, you're colored in

On the outside your right  
I will take everyday  
But it's my last  
But not for you

On the inside, on the inside  
Is what I like, what I like  
On the inside, on the inside  
Is what I like

On the inside, on the inside  
Is what I like, what I like  
On the inside, on the inside  
Is what I like

On the outside, you're wearing thin  
On the outside your right  
On the outside your right  
On the outside, you're bearing sin

On the outside your right  
I will take everyday  
Like it's my last  
But not for you

On the inside, on the inside  
Is what I like, what I like  
On the inside, on the inside  
Is what I like

On the inside, on the inside  
Is what I like, what I like  
On the inside, on the inside  
Is what I like

Wait for someone to look inside of you  
Let go of the worst things about you

Wait for someone to look inside of you  
Let go of the worst things about you

On the inside, on the inside  
Is what I like, is what I like  
On the inside, on the inside  
Is what I like

On the inside, on the inside  
Is what I like, is what I like  
On the inside, on the inside  
Is what I like

On the inside, on the inside  
Is what I like, what I like  
On the inside, on the inside  
Is what I like

On the inside, on the inside  
Is what I like, what I like  
On the inside, on the inside  
Is what I like

On the inside
